Presenters

Andrew F. Angelino, MD, DFAPA, FAPM is Chair of Psychiatry, Howard County General Hospital.

Dr. Megan Buresh is an assistant professor of medicine at the Johns Hopkins University School of Medicine. She is a care provider with the Comprehensive Care Practice (CCP) at Johns Hopkins Bayview Medical Center. Buresh was recognized by Johns Hopkins with the William Welch Award in 2012.

Rhetta Butler Peer Recover Coach Mercy Medical Center. She works with and supports individuals immersed in addiction (s), and coaches people in recovery from the abuse of alcohol and drugs.

Mark O'Brien currently serves as the Director of Opioid Overdose Prevention and Treatment for Baltimore City. He is responsible for implementing the Baltimore City Opioid Overdose Prevention and Response Plan and opioid treatment expansion efforts that have been cited as national models by the White House Office of National Drug Control Policy and U.S. Surgeon General. He leads Baltimore's Citywide Fentanyl Task Force, consisting of over 20 city and state agencies and organizations, as well as the city's Overdose Fatality Review Team. He has trained hundreds of people to recognize and respond to an opioid overdose.

Marla Oros RN, MS is President of the Mosaic Group, a health care management consulting agency that provides customized solutions for health and human service agencies nationally. A community health nurse, former Associate Dean at the University of Maryland School of Nursing and seasoned health care executive, Ms. Oros has worked in board rooms and at the grassroots level to bring out of the box innovation to sustainable program design and implementation in some of our country's most vulnerable communities.

Robert Roth Marriage & Family Counselor, Master Addiction Counselor, Nationally Certified Addiction Prevention Specialist. He is the Coordinator Adolescent Services Medstar Montgomery Medical Center.

Target Audience:

Addiction/Professional Counselors, Nurses, Social Workers, Program Directors and Therapists.

Conference Objectives:**Participants will be able to:**

1. Demonstrate an understanding of the impact of depression on maintenance of substance use disorders;
2. Develop an understanding of public policy and public health responses to addiction through national case studies;
3. Identify the causes and scope of the opioid addiction and overdose epidemic in Maryland and recognize and respond to an opioid overdose with naloxone;
4. Identify how Screening, Brief Intervention, and Referral to Treatment (SBIRT) is being implemented across Maryland;
5. Understand the Benefits of Empathy in Recovery;
